HOW MANY TIMES CAN I USE MY SCHENGEN VISA?

On the visa sticker the “number of entries” is indicated: “1”, “2” or “MULT”. The holder of a multiple entry visa (“MULT”) may enter the Schengen area unlimited number of times during the validity of the visa while respecting the rules on duration of stay.

WHO CAN APPLY FOR A SCHENGEN VISA IN INDIA?

WHICH MEMBER STATE IS COMPETENT FOR EXAMINING AND DECIDING ON MY VISA APPLICATION?

The Member State competent for examining and deciding on an application for a uniform visa shall be:

WHAT TO DO IF A SCHENGEN COUNTRY DOES NOT HAVE AN EMBASSY/CONSULATE IN INDIA?

If a Schengen country does not have an Embassy/Consulate in India, or if the present Embassy/Consulate is not issuing visas, a Schengen visa application may be submitted to the Schengen state which “represents” this country for visa matters.

Please note that applications can be submitted to an **external service provider**. You are encouraged to check the websites of relevant Schengen countries in order to know where you can lodge your application.

Please take note a Schengen visa application for **Liechtenstein** shall be submitted at the Embassy of Switzerland in New Delhi.

WHAT HAPPENS IF THE APPLICATION IS LODGED WITH THE MEMBER STATE OR THE CONSULATE THAT IS NOT COMPETENT FOR EXAMINING AND DECIDING ON MY APPLICATION?

When an application has been lodged, the Consular post verifies whether it is competent for examining and deciding upon it. If it is not competent, it will, without delay, return the application form and any documents submitted by the applicant, reimburse the visa fee, and indicate which consulate is competent.

BIOMETRICS COLLECTION

All Schengen visa applicants in India have to appear in person in order to provide biometric data (fingerprints and digital photography).

The photograph can be digitally taken at the time of the application or scanned from a recent one, if conform to [ICAO standards](#)².

For subsequent applications (within 5 years), the fingerprints can be copied from the previous application file in the VIS.

In case of reasonable doubt regarding the identity of the applicant, the consulate will collect again fingerprints within the 5 year-period specified above. Furthermore, the applicant may request that they be collected if, at the time when the application is lodged, it cannot be immediately confirmed that the fingerprints were collected within this 5 years period.

Visa applicants' biometric data can be collected by Schengen States' consulates and external service providers but not commercial intermediaries (e.g. travel agencies).

WHO IS WAIVED FROM THE REQUIREMENT TO GIVE FINGERPRINTS?

The following applicants shall be exempt from the requirement to give fingerprints:

[Please note that applicants falling under category (b) must still appear personally at a consulate or external service provider]

- (a) children under the age of 12;
- (b) persons for whom fingerprinting is physically impossible. If the fingerprinting of fewer than 10 fingers is possible, the maximum number of fingerprints shall be taken. However, should the impossibility be temporary, the applicant shall be required to give the fingerprints at the following application. The competent authorities shall be entitled to ask for further clarification of the grounds for the temporary impossibility.
- (c) heads of State or government and members of a national government (Ministers and Ministers of State only) with accompanying spouses, and the members of their official delegation when they are invited by Member States' governments or by international organisations for an official purpose;

This list is mandatory and exhaustive. Holders of diplomatic passports are not exempted as such from the fingerprinting requirement. They may be exempted if they are members of the official delegation of heads of State/ members of a national government invited for an official purpose.

HOW LONG DOES IT TAKE FOR THE CONSULATE TO DECIDE ON MY APPLICATION?

Applications shall be decided on within 15 calendar days of the date of the lodging of an application.

This period may be extended up to a maximum of 45 calendar days in individual cases, notably when further scrutiny of the application is needed.

WHICH THIRD COUNTRY NATIONALS ARE SUBJECT TO PRIOR CONSULTATION DURING THE PROCEDURE?

A Member State may require the central authorities of other Member States to consult its central authorities during the examination of visa applications lodged by nationals of specific third countries or specific categories.

Such consultation does not apply to applications for airport transit visas.

One or more Member States may require that their central authorities are informed of visas issued to nationals of specific third countries or specific categories of such nationals. This procedure ("ex post" information) does not apply to airport transit visas.

For information of countries that are subject to prior consultation or ex post information see:–

[LIST OF COUNTRIES SUBJECT TO CONSULTATION](#)
[LIST OF COUNTRIES SUBJECT TO EX POST INFORMATION](#)

WHAT CAN I DO IF THE VISA IS REFUSED?

Applicants who have been refused a visa receive a standard form notifying and motivating refusal. They have the right to appeal, following the procedure and respecting the time limit indicated in the standard form. Appeals are made against the Member State that has taken the decision, in accordance with its national legislation.

WHAT CAN I DO IF I WANT TO FILE A COMPLAINT

You have the right to submit a complaint regarding:

- the conduct of staff at the consulate or from the external service provider;
- the application processing.

Check the website of the Member States for information on the procedure to follow.

WHAT DOCUMENTS DO I HAVE TO TAKE WITH ME WHEN I TRAVEL ON A SCHENGEN VISA?

Mere possession of a Schengen visa does not confer an automatic right to enter the Schengen Area.

At the external border, visa holders may be requested to produce documents justifying the purpose and conditions of their intended stay; that they have sufficient means of subsistence, both for the period of the intended stay and for the return to their country of origin or transit to a third state into which they are certain to be admitted, or are in a position to acquire such means lawfully. For full information see – [Information Sheet to Visa holders](#)

FAMILY MEMBERS OF EU/EEA NATIONALS AND SWISS NATIONALS

If you are a family member of an EU/Iceland/Liechtenstein/Norway or Swiss national, you shall benefit from a simplified and accelerated visa procedure, including exemption from the visa fee, as long as you meet the following criteria:

- (1) You are a family member (this includes a spouse, registered partner, child who is under 21 or a depending family member) of an EU/Iceland/Liechtenstein/Norway or Swiss national (or of his/her spouse/registered partner); AND
- (2) That EU/Iceland/Liechtenstein/Norway or Swiss national is residing in another Member State than that of which he/she is a national or travelling there to take up residence; AND
- (3) You are accompanying the EU/Iceland/Liechtenstein/Norway or Swiss national or planning to join him/her for residence.

The visa should be applied for at the Embassy/Consulate of the country of future residence of the EU/Iceland/Liechtenstein/Norway or Swiss national, not at the Embassy of his/her country of origin.

If you think you qualify for visa facilitation you will need to show proof that you meet these criteria when you submit your visa application.
